

FLEE FARM BUREAU!

Farm Bureau is lobbying our representatives for the National Animal Identification System (NAIS) in Tennessee.

NAIS will put small farmers in Tennessee out of business with all of its costs and steal our God-given right to raise and own animals. For info go to www.nonais.org or www.stopanimalid.com or farmersandfreeholders.org

Where can we go FOR INSURANCE?

Cotton States Insurance – (800)282-6536

www.cottonstatesinsurance.com

State Farm Insurance – (888)747-0928 www.statefarm.com

When you cancel your insurance with Farm Bureau, be sure you let them know it's because they support NAIS and they hurt small farms in Tennessee
